

What is Charms?

Charms is a web-based student-account program that parents can use to view charges, credits, and payments that have been recorded in their child's band account. You can also view our event calendar which lists all important dates for band: games (including call times), practices, competitions, and special events.

PLEASE make sure to update your personal information in your child's Charms account. It is very important that we have your current email address to ensure you receive all messages and student statements sent via Charms email.

How do I access Charms?

Your child's Charms account may be accessed by going to ***www.charmsoffice.com***.

In the upper right corner of your screen, go to the **Login** button and click on ***parent/student/members***. You will be asked to enter the school code. Enter "***echsband***." The page that will open will give you access to the calendar by clicking on the calendar icon. To view your child's student account, enter your password.

(If you've logged in before, you should have already set a password. If it is your first time, the password is your student's first initial and last name as one lower-case word.

Example: Matt Leff = mleff. If it is your first time logging in, the system will prompt you to select a new password.)

If you do not know or do not remember your password, please contact Kay McElveen (kay.mcelveen@gmail.com), Terri Naber (terriner@yahoo.com), Mr. Leff (mleff@effingham.k12.ga.us), or send a private message to our Facebook page.

PLEASE be sure to navigate to the "Update Info" tab, scroll down to "Parent Info," and make sure a valid, current email address is entered for at least one parent.

If you have any problems accessing the site, or have any questions about the student account, please contact the ECHS Band Booster Treasurer, Kay McElveen at kay.mcelveen@gmail.com.
